# **Little Free Library Policy**

1. The owner of the property the library is placed on shall be responsible for ensuring that the library is maintained in good condition and in the proper location.
2. The Little Free Library shall not be placed between the sidewalk and street in the public right-of-way.
3. The Little Free Library shall be placed on a property with sidewalk access. Exceptions may be allowed with placement approval from the City of Princeton.
4. The front plane of the Little Free Library shall be at least two (2) feet away from the owner's side of the sidewalk.
5. Little Free Libraries with a footprint over two square feet may be subject to applicable zoning regulations and permits for accessory structures.
6. Please be courteous to neighbors and inform them of your plans prior to installation of a Little Free Library.
